

## About Intercept

Intercept is a biblically-based men's discipleship program that helps men put an end to habitual destructive behavior. We specialize in actions related to sex, pornography and alcohol.

We teach men to take responsibility for their choices and build wholeness in their life through spiritual disciplines, community and accountability. Hundreds of men across multiple states and countries have found lasting freedom through the Intercept program.

Intercept is for:

- Men, ages 18 and up
- Men who feel stuck repeating destructive behaviors, including (but not limited to) pornography, adultery, fornication or alcoholism.
- Men who are willing to do whatever it takes to end the above listed destructive behavior, not simply to save their marriage, but because they want to be a different man.
- Men who are willing to put in the hard work needed to take responsibility for their lives.

Please note there is a screening process and onboarding process for joining Intercept. Visit <https://www.intercept.works/faq> to learn more, and click the **Ask to Join** button above so we can schedule a brief call.

Written resources are also available for the wives of men who are part of Intercept.
